Quiche with broccoli and cheese

Ingredients

- 6 slices of puff pastry or savoury pie dough (or 1 roll)
- 5 eggs
- 130 ml of whipped cream
- 100g rosemary thyme cheese (or as much as you like)
- 50 grams of peas
- 100 grams of broccoli
- 3 tablespoons of pine nuts
- salt and pepper to taste

Preparation

The Easter season is approaching and so we treat ourselves to a simple quiche with broccoli and cheese. After all, we love these tasty savoury tarts, especially since you can experiment with them endlessly.
